[Question why did you tell the log records that you have access to the above sites on july 7th and 8th 2015 and that you have not accessed all of the above sites](#)

[A i do not remember what i did at the time the suspect has not been able to access all of the blogs because he did not manage them by creating multiple blogs](#)

[Q how do you describe the process of entering hangul in google in detail](#)

[Answer first enter google www.google.com into the internet address bar and when the google window appears enter the korean input device gksrmdlqfurrl in english into the search box then the korean input method site appears in order and from the top of the korean input method site click downward to find a site where you can input korean if you find a hangul input site you can input hangul by using computer keyboard and then copy the hangul input and paste it in the place where hangul input is needed the suspect s laptop is in french so typing www.google.com leads to www.google.fr even if you search for both sites with the same search terms the order of the search results displayed is different](#)

[Q as a result of the prosecution s hacking test on the suspect s laptop there are no signs of remote control especially on july 7 2015 and july 8 2015 how about this and the suspect did not delete the access log from the laptop router](#)
